

Nick Dietrich

DOP - Director - AC - Lamp Op

Campbell River, Vancouver Island
Cell:431-236-3143 Email: nickdietrich20@gmail.com

I have a keen interest in all things film production and am looking to become more actively involved in helping others tell their stories. I have been shooting/directing content and commercials for companies since branching out on my own in 2017 and have had the opportunity to take on various roles depending on the project. Although my path has led me to spend the majority of my time behind the camera as Cam Op or DOP, I have experience in everything from storyboarding, producing, directing, AC, and editing. As my priorities have shifted, I am looking to narrow my focus to contribute as a DOP/Director to help others bring their stories to life. I would love the opportunity to be involved in narrative, documentary, or commercial projects alike, as long as the story is something that resonates with me.

As part of my continuing education, I have most recently completed the Motion Picture Lighting credential at NIC with instructors John Helme & Jeff O'Brien and am looking forward to contributing to larger scale projects as a Lamp Op or wherever my skill set fits.

I am continually adding to my arsenal of gear and currently own a Sony FS5 and am familiar with RED cameras as well if the project calls for it. I have experience pulling focus wirelessly as well as setting up wireless video signals for the 1st AC and directors monitors.

With a love for both the outdoors and capturing beautiful images, I am no stranger to traveling to and working in remote locations. I am currently based on Vancouver Island, but am willing to travel and work as a local.

FILM EXPERIENCE

Role	Title	Production Company	DOP / Cam Op	Production	Link
AC	NIC Promotional Piece	North Island College	John Helme	Promotional Short

EDUCATION AND QUALIFICATIONS

Credential	Date Completed
Motion Picture Lighting Micro-credential: North Island College, BC	February 25, 2022
Motion Picture Industry Orientation (MPIO): Actsafe	January 19, 2022
COVID-19 Safety Procedures Course: Actsafe	January 19, 2022
Motion Picture Safety 101 – General Safety: Actsafe	January 17, 2022

OTHER WORK EXPERIENCE

Owner/Operator - Odeo Studios 2017- Present

- Worked directly with clients to create concepts campaigns, commercials, & content that aligned with brand image and company goals.
- Assumed the roles of Director & DOP when needed for the project.
- Hired crew for shoots when the budget & project allowed for it.

Creative Coordinator - Tigé Boats - 2015 - 2016

- Concepted & produced photo and video content that aligned with desired brand image
- Operated camera for our main product shoots and made critical lighting decisions in the studio to align with branding.
- Head of video production team where I helped plan and shoot campaigns and product videos
- Worked in difficult working environments for our main product shoots every year. We shot mostly on the water to showcase the boats in action as well as shooting in a studio environment to show specific features of the boats in a more controlled and beautiful way.
